Notes:

1. The landlord is required to select at least two estimates in respect of the matters described in a notice of intention. At least one of the estimates must be from a person wholly unconnected with the landlord. Where an estimate has been obtained from a person nominated by leaseholders, that estimate must be among those set out in the statement of estimates.
2. Where a notice specifies a place and hours for inspection:
 - a. the place and hours so specified must be reasonable; and
 - b. copies of the estimates must be available for inspection, free of charge, at that place and during those hours. If facilities to enable copies to be taken are not made available at the times at which the estimates may be inspected, the landlord shall provide to any leaseholder, on request and free of charge, a copy of the estimates.
3. The landlord has a duty to have regard to written observations made within the consultation period by any leaseholder or recognised tenants' association. 'Recognised tenants' association' is defined by Section 29 of the 1985 Act.
4. Where a landlord has received written observations within a consultation period in relation to a notice of proposed works, he is required to summarise the observations and respond to them in a notice of his reasons for making the agreement, or specify the place and hours at which that summary and response may be inspected.
